Italian families **do not** provide health insurance cover. There is a reciprocal agreement between Australia and Italy that permits use of the Italian National health scheme for the first 6 months in the country. If you are going for longer than 6 months you will need 12 months travel health insurance cover.

The WH Visa takes about 2 weeks to be issued from time of applying. The visa requires 12 months health insurance cover. You will be required to show the Consulate that you have about \$7000 available to you for the 12 month stay. The Consulate will accept a parental guarantee backed up by proof of funds.

We suggest that all applicants have at least 200 words of basic Italian before they leave.

Knowing some vocabulary will help you to settle in. There are good books and internet sites to learn from.
