South Africa

English is the main official language in South Africa.

12 months health insurance is a requirement for the aupair visa.

Placements are for 12 months and are all live in. The aupair visa cannot be extended beyond 12 months, is not family interchangeable as it is issued to the host family only.

Some families will pay a completion bonus, amount at their discretion, at the end of the 12 month stay.

South Africa is a large country so a family placement could be in one of the coastal cities or in an inland city. All placements are with financially comfortable families in safe and secure areas.

The cost of living in South Africa is much lower than in other developed countries and so actual buying power of the Rand is high. The money you earn will more than enable you to have an enjoyable social life, to go on guided tours and to game parks.
