Our families are based in German speaking East Switzerland and French speaking West Switzerland. It is advisable that applicants have some knowledge of either German or French. Most families want you to speak English with their children but they will speak to you in the local language enabling you to learn.

Attending language classes is optional.

We suggest that all applicants have at least 200 words of basic German or French before they leave. Knowing some vocabulary will help you to settle in. There are good books and internet sites to learn from.

The application for a work permit is a slow one. It can take up to 8 weeks before the necessary documentation from Switzerland reaches us so that you can apply to the Swiss Consulate for your work permit and permission to enter Switzerland to be an aupair. It is best to apply for this country at least 5 months in advance of when you would like to go.

The amount paid to you is pocket money and should be accepted as that. It is suggested that should you wish to travel in Europe, you take additional money with you or a debit card.

Switzerland is well placed to visit France, Germany, Italy and Austria.
